Research Paper
World Educational Systems
EDF1005
Paper Content
(10 Points)

Examine and explain the similarities and differences of the K-12 public education system in the US to that of another country.

Provide historical data on both the country you have chosen and the US, such as but not limited to:

1. Provide historical information about the country such as but not limited to the population, location, when founded or established.
2. The educational system,
3. The students and the teachers/instructors,
4. What is the mission of education?
5. Local and national laws and/or traditions,
6. The time spent in school (daily, yearly, etc.)
7. What happens to the student(s) once they have completed this system?

All papers must follow this outline:

1. Cover Page
   (center and middle of page)
   a. Title of Paper
   b. Your name
   c. Course number with time and day the course meets

2. Abstract Page (page 2)
